| Learning outcomes – how did the trip/visit meet the curriculum objectives. | |
| Did the children enjoy the trip? (Quotes of what they enjoyed children if appropriate) | <p>Our class trip to the Imperial War Museum Duxford was highly successful and provided an engaging, memorable learning experience for all pupils. The exhibits, aircraft displays, and interactive areas supported our history curriculum and helped students deepen their understanding of aviation and wartime Britain. The museum staff were welcoming and knowledgeable, and the site offered plenty of space for the children to explore safely and enthusiastically. Pupils were particularly fascinated by the historic aircraft hangars and the chance to see iconic planes up close. Many commented on how the visit helped them understand their learning.</p> <p><i>“I loved seeing the Spitfire! I didn’t know it was so small but so fast.”</i></p> <p><i>“I liked walking inside the Concorde. It was amazing to see what it was like in real life!”</i></p> <p><i>“The stories from the pilots made history feel real.”</i></p> |
| Cost of the trip / cost paid by parents. | £22.00 which included travel and a souvenir goody-bag |
| Worth the cost? | Yes. |

Would the trip/visit be repeated?
